Welcome ,

When we are resilient good things can happen! We're able to cope with difficult situations and make the most of opportunities.

Our ability to persevere in the face of difficulties is possible when we have confidence in our selves. Super Circus is a deliberate interruption to encourage growth opportunities and to equip students with the framework and language needed to develop healthy, positive, and protective behaviours.

Super Circus is a unique experience that works with your school community to equip teachers and students with common language, resources and activities that encourage a school-wide focus on standing strong and building resilient young people.

The Super Circus is a whole school show that transforms staff and students into superheroes to demonstrate that we can achieve amazing feats when we try new things. This laugh out loud experience actively demonstrates that failure is the first step towards success. Students will discover that their inner-hero is not found in what is easy, but in how we tackle what is hard. Each moment of the show and resilience resource package is about equipping students with the super powers of; Effort, Hard Work, Persistence, Self Worth and the ability to stand strong or ask for help. Super Circus has been developed inline with the national schools Curriculum, and strongly focuses on Health & PE, Protective Behaviours, and the Arts.

SHOW TIME & JUGGLE JAM WORKSHOPS!

SHOW TIME...

What does it mean to be resilient? In this action-packed 45-minute comedy & circus skills stunt show; we dive headfirst into huge object lessons that reveal what we need to persist, persevere and never give up to succeed.

Staff & students will be up & actively engaged in this high energy circus skills show that transforms volunteers into the stars of the show. Super hero teachers, acrobatic stunts, hula hooping heroes, plate spinning, giant balloon acts and loads of circus fun. This is not your ordinary school show - and its an opportunity not to be missed!

Acrobatic balance, plate spinning, juggling, diabolo, hula-hooping, and an explosive grand finale will have you on the edge of your seats. This is an incursion that will have your students rolling in the aisles with laughter. This incursion will leave your school buzzing with energy to take on any new challenge!

JUGGLE JAM...

This FREE 30min workshop is a fantastic hands-on 'Learn to Juggle' session for students to get up and actively involved in a fun resilience training session. Juggle Jam is the first opportunity to put everything we've just learnt into active practice. Students have the opportunity to use goal setting, practice, persistence, resilience and determination to work towards the goal of juggling. The mixed age approach of this session allows for a whole school learning opportunity. Juggle Jam encourages positive role modelling, team work and peer supported learning. This session is an encore to the grand finale of the show with students invited to jump up and get instantly engaged in this whole school session.

STUDENTS ARE GIVEN A UNIQUE OPPORTUNITY TO SHINE AS THE STARS OF THE SHOW
